ITEM 150

APPLICATION OF RATES AND RULES SCHEDULE

Rates, rules, charges and/or provisions contained herein apply to any shipment designated through the application of DOE 200-B, **Revision Date** Item 150, for which DOE or its contractor has responsibility for payment of freight charges. Schedules 190-A, 200-B, and the DOE Bid Proposal set forth the entire agreement as to rates, rules, charges, and/or provisions between DOE, its contractor(s), and the carrier. To the extent there are any conflicting, duplicating, or additional rates, charges, rules and/or provisions published or agreed to elsewhere, they are hereby invalid and not applicable.

The following is a list of participating U.S. DOE and contractor facilities as of May 1998. This list is dynamic and will change as old contracts expire and new agreements are initiated.
